نبذة

Anhui Tianwei Cashmere Products Co., Ltd. was established in 2006. The company covers an area of 220 acres and has more than 500 employees. Its headquarters is located in the beautiful and fertile Fuyang in the eastern part of the Central Plains Economic Zone. Within a 10-kilometer radius, there are highway exits, high-speed rail west station, and an airport, making transportation very convenient. The company is a comprehensive cashmere product enterprise that integrates cashmere de-hairing, dyeing, spinning, finished garments, and scarf fabrics. The company has independent import and export rights and is the only vice president unit of the Anhui Province Chinese Wool Textile Industry Association. Combing Factory: The company has 120 fully automatic dehairing machines, capable of processing over 600 tons of cashmere fluff per year. Dyeing Factory: The dyeing factory has more than 30 dyeing tanks, with a production capacity of 1,000 tons per year. Coarse Spinning Factory: The company has successively introduced 14 sets (14 combing and 15 spinning) of advanced 80-inch coarse wool spinning production lines from Japan, producing 1,000 tons of coarse yarn annually. Fine Spinning Factory: The company has imported 8,112 spindles from countries such as the UK, France, Italy, and Switzerland, producing 100 tons of fine and semi-fine yarn each year. Garment Factory: The company has 120 German Stoll machines and 10 Cixing computer flat knitting machines, capable of producing high-end garments with 3 to 18 needles, reaching an annual production of over 500,000 cashmere products. Scarf Fabric Factory: The company has 7 Jacquard looms and supporting equipment, capable of producing 100,000 scarves and 30,000 meters of coarse fabric.

Changxing Haorui New Material Co., Ltd. is an excellent private scientific and technological enterprise specializing in the production and sales of non-woven fabrics (non-woven fabrics) and high-grade garment adhesive linings. Clothing adhesive lining series are widely used in all kinds of clothing, shoes, hats and composite fabrics. Warp knitted fabrics are widely used in sportswear, toys, shoes, automobile interior decoration, household products and so on. The headquarters of the company is located in the economic circle around Taihu Lake in the hinterland of the Yangtze River Delta. It is known as Changxing, a land of fish and rice, a land of silk and a land of culture. For a long time, the company has adopted strict management system and flexible business philosophy to win the welcome of customers with fine production technology and high production efficiency. The company adheres to the commitment of "quality-oriented and reputation first", follows the development and needs of foreign markets, and grows rapidly by riding the tide of the times. The company's products are mainly sold to the United States, Mexico, South Africa, Poland, France, Portugal, Argentina and other parts of the world. Since its establishment, the company has won the trust of customers at home and abroad with excellent product quality, reasonable price and perfect and fast service, and its export business has developed rapidly. The company provides one-stop procurement of epidemic prevention materials and raw materials to help epidemic prevention. Enterprise tenet: enterprise development, service-oriented; High quality service, integrity-based.

Our core product category comprises cotton and cotton-blend fabrics, offered in a diverse range of styles, including corduroy, piece-dyed, yarn-dyed, and printed fabrics. We provide various weaving types, such as Twill, Satin, Sateen, Dobby, Canvas, Ripstop, Cavalry Twill, Poplin, Broken Twill, Ottoman, Bedford Cord, Oxford, Double Weave, and Herringbone. These are available in non-stretch, two-way stretch, or four-way stretch options to meet a wide array of customer needs.

Guangzhou UJoy Party limited is a distinguished textile group specializing in dyed woven fabrics. The company operates a highly vertically integrated production process, encompassing weaving, corduroy cutting, yarn dyeing, printing, and finishing, to deliver comprehensive, one-stop services for dyed woven fabrics. Renowned for its exceptional service, superior quality reliability, and innovation, UJoy Party has built a strong reputation in the textile industry. Our commitment to excellence, outstanding customer service, and enduring business relationships forms the foundation of our continued growth and success.

Neelam FZE is a UAE-based textile printing company specializing in premium digital fabric printing and innovative textile design solutions. With over two decades of industry expertise, we cater to abaya brands, fashion designers, apparel labels, and retailers across the GCC, offering a seamless experience from fabric selection to final printed production.

Our state-of-the-art factory in Dubai houses advanced digital printing machines capable of producing exceptional results on both natural and polyester fabrics. With an in-house stock of over 250 fabrics, clients can choose their preferred base and bring any design to life with unmatched color accuracy and detail.

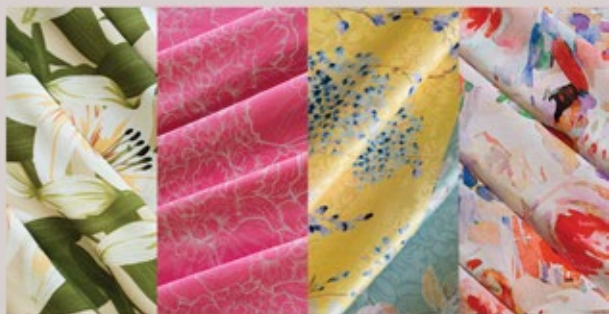

Neelam FZE also features a skilled in-house design team and an exclusive library of over 2 million original print designs, allowing customers to choose from ready-to-print collections or create fully custom designs. Many of the region's most popular prints and textile trends originate from our studio, setting a benchmark for creativity and innovation in digital textile printing.

Through our e-commerce platform, Cianna Digital UAE (ciannadigitaluae.com), we extend our services to small businesses and independent designers with low minimums, quick turnaround, and all production carried out locally within the UAE.

Combining creativity, technology, and craftsmanship, Neelam FZE continues to lead the evolution of digital textile printing in the Middle East.

"Where Innovation Meets the Art of Fabric"

At the heart of India's textile capital, Nilkanth Creation stands as a symbol of craftsmanship, creativity, and cutting-edge technology. Our Sachin unit is more than just a production facility — it's a space where design dreams take shape, thread by thread.

□ Crafting Quality with Precision

With state-of-the-art weaving and embroidery machines, our Sachin plant produces fabrics that blend luxury with reliability. Every yard is a masterpiece — rich in texture, flawless in finish, and crafted to perfection. From elegant embroidered fabrics to modern woven blends, we redefine what fine textile means.

□ Our Strengths

Modern Technology, Traditional Soul – Advanced looms and embroidery systems combine with the artistry of Surat's finest craftsmen.

• What We Offer

Premium embroidered, woven & blended fabrics, position print and premium digital prints.

Designer fabrics for ethnic, bridal & couture wear

Embroidery job work and fabric customization for brands & exporters

• Our Promise

Great fashion begins with great fabric.

Jindong Textile was founded in 1999, a fabric factory in China.

1. Factory Strength

We have more than 300 circular knitting machines, 30000m² production base, and more than 200 workers to support our production. Moreover, we have GRS, Oeko-Tex, and Detox certificates. Our factory is still expanding.

2. Products

We have regular and high-end quality fabric that can meet different clients' demands. We specialize in polyester, TC, polyester with spandex, nylon, and nylon with spandex knitted fabric for hoodies, joggers, T-shirts, polo, yoga wear, etc. And we can also help you source in China cause we are export qualified and have rich experience in the textile industry.

3. Export experience

Our items have been exported to Europe, America, the Middle East, South America, South Asia, and so on. Because we are a factory, we can control quality well and have a good and reasonable price. It makes our company have a good reputation with our customers and suppliers.

4. Service

We can make to order, and we can give you a customized service. Based on your real situation, give you a good solution and suggestion to help you sell your products in your market. And we have a lot of successful cases that can give customers a reference.

If you are interested in us, please contact us.

Although RHEA TEXTILE was officially established in 2017, our roots in the textile industry date back to 1999. With decades of experience, deep industry knowledge, and a passion for innovation, we specialize in high-quality jacquard woven fabrics for the global fashion market. Operating in a 1,000 m² production facility equipped with 12 state-of-the-art weaving machines, we produce elegant and unique fabrics for evening wear, bridal collections, and custom designs.

With a creative design vision and a customer-centric approach, we proudly export to over 60 countries, carrying the strength of Turkish textile to the world.

Quality is a fundamental pillar of RHEA TEXTILE. From design and production to delivery and after-sales service, we maintain the highest standards at every stage.

Each fabric we produce is carefully crafted to blend aesthetics, comfort, and durability. With a focus on innovation, continuous improvement, and an experienced team, we strive to provide our customers with only the best.

Profile

نبذة

Shaanxi Qidian Brand Planning Co., Ltd. excels in integrating regional cultural elements with modern design, and is committed to creating high-quality lifestyle products with rich storytelling. Rooted in profound historical culture, it develops products that blend tradition and modern aesthetics.

Its own brand ""Mingjian Wanli"" (literally meaning ""seeing a thousand miles clearly"", symbolizing foresight) aims to inherit and spread Chinese culture, and its wool scarves are a reflection of this concept. The scarves are made of high-quality and soft wool, ensuring warmth and comfort. Each design draws inspiration from Shaanxi's cultural treasures; the ""Guose"" (referring to ""national beauty"", representing elegance) series of silk scarves all draw on ancient silk patterns and are original creations, imbuing them with unique cultural charm. The lightweight and durable scarves are suitable for daily wear and gifting, perfectly combining practicality with artistic value.

Shaoxing Keqiao Dandi Textile Co., Ltd. is located in the Keqiao, Shaoxing, China which has the largest textile market in Asia.

Dandi has annual sales of 2600 million dollars and output of 2800-3000 tons per annual. The company has established long-term business cooperation with customers from South America, Middle East, Southeast Asia and Europe.

Dandi is specialized in design, development and production for fabrics. And has the self-support right of import and export.

Our company's products are simple and fashion

Simple: We have many basic knitted items such as FDY, DTY, ITY and Scuba.

Fashion: We develop new products (like jurick, suede, lurex jacquard) and patterns for our customers to select and place orders weekly.

In terms of quality, Dandi covers an area of 4500 square meters with 20 single knitting machines, 40 double knitting machines and 18 double jacquard machines. These equipments are our strong backing to ensure that we can fulfill customers' orders on time.

Dandi has 2800 square meters of warehouse with computerized advanced packaging technology and managements in order to ensure that customers receive our best products.

" DAN XIN YI PIAN, DI ZAO WEI LAI" is our motto.

We sincerely hope to create a better future together with you.

Shaoxing Qiongbo Import & Export Co., Ltd. was established in 2022 is located in the Jinghu New District, Yuecheng District, Shaoxing City, Zhejiang Province. It is a foreign trade company specializing in casual sport knitted fabric, woven fabric, clothing accessories, and ready-made garments. We take it as our responsibility to serve customers wholeheartedly. Relying on the international textile capital of Shaoxing, we absorb outstanding suppliers from Jiangsu, Zhejiang and Shanghai, and are committed to solving the comprehensive needs of customers as the core business, creating a comprehensive foreign trade company that helps foreign clothing customers purchase everything they need. We have a complete list of high-quality suppliers, which can help customers purchase everything from a sewing needle to a fabric inspection machine for inspecting fabrics. We can customize exclusive cargo containers for customers, and all the goods can be fully equipped and shipped in one container. The company team is complete, integrating development and sampling, purchasing and quality inspection, documentary services to provide a one-stop service. Ensure the safety of customers' orders without worries. At present, company's business mainly exports fabrics ,trims to Middle East countries.Through exhibitions, we aim to meet and make friends with more high-quality customers, enabling the company to develop healthily and steadily and become a leader in the field of comprehensive service foreign trade companies for knitted clothing fabrics and accessories. Through our own high-quality services, we help customers carry out their business steadily and efficiently in their own countries. Mutual achievements and common progress.

Tulip Exim / Tulip Couture is a group concern of Topman which produces a wide-range of Haute Couture Hand Embroidery operations. Established in 1990 Topman Exports began with manufacturing textiles of high quality fancy Shirting, Suiting and Jacquard in various blends, width and weaves. Topman introduced specialised division to integrate high-end customised Hand Embroideries on the Fabric in 2002. Hand embroideries is our domain. We have been developing hand embroideries for Couture. Hand Embroideries have been our client's muse. Detailing of every material sourced and created is indispensable. Every design. presented to the clients is designed using trends, forecasts and most importantly, inputs of the clientele. Often, our special collections are based on the client's inputs. At Tulip Exim / Tulip Couture, we ensure that highest levels of international standards are followed. We ensure on time deliveries and make sure that our clients are satisfied with our innovative designs and patterns.

We, VeeKay International, are a leading manufacturer of hand-embroidered haute couture fabrics for bridal and evening wear. With over 30 years of experience, we partner with top global design houses, and our creations have appeared on international runways and pageants — including Miss Universe.

Our team of 600+ artisans brings unmatched craftsmanship to every piece. We offer complete design flexibility — any pattern, any color, and custom beading as per your vision. Whether you're an emerging designer or an established brand, we can help you create truly one-of-a-kind textiles.

We export to over 95 countries and maintain low minimums (just 24 meters), with a turnaround time of only 4–6 weeks. Sampling services are also available to help you perfect your concept before production.

We are proudly ISO 9001:2015 and SA 8000 certified — reflecting our commitment to quality and ethical manufacturing.

Looking to collaborate? Visit our booth, explore our latest collection, or contact us to begin designing your next masterpiece.

We look forward to creating the fabric of your dreams.

Profile

نبذة

The company was founded in 1990 in Wenzhou, Zhejiang Province, and has since become a member/director unit of China Hardware Products Association's Zipper Division, as well as recognized as China's Model Unit in Creditable Management and China's Creditable Entrepreneur for 2006.

On the back of its investments, which total has exceeded CNY 100 million, VVE Zipper now has a modern industrial park that covers over 30,000 m2.

With over 20 years of experience and technical expertise in zipper production, VVE Zipper has emerged as a major player in the industry, boasting a large production scale, a comprehensive product range, and advanced equipment,

VVE Zipper has successfully established a physical corporate presence specializing in zipper production by integrating such aspects as weaving, molding, sewing, dyeing, mold-making, die-casting, spraying, and plating, as well as plastic and metal strip installation. The zippers have passed rigorous tests conducted by authoritative institutions, including SGS, ITS, ATC, and OEKO-TEX, all of whom have issued VVE Zipper with globally-acknowledged certifications, one of which is the ISO 9000 quality system certification.

With over 200 production staff and more than 10 R&D designers, the company is able to achieve rapid order fulfillment, production, and shipment, with a turnaround time of as fast as 48 hours. This allows it to meet customers' diverse needs and serve them promptly as well as efficiently.
