Hello everyone, Welcome to the livestream of Nantong Sufang Textile Limited Company.

Our company is a professional enterprise specialized in hotel linen and home textile bedding products.

With years of development, we have rich experience in this field. We are committed to providing high-quality products. For hotel linen, we offer a wide range of sheets, pillowcases, duvets, pillows, mattress protectors, towels, and bathrobes that are designed to meet the high-demand environment of hotels. They are made of excellent materials, ensuring durability and comfort for hotel guests.

In terms of home textile bedding, our products include various styles of bedding sets, duvets, and decorative pillows. We focus on both functionality and aesthetics. Our design team keeps up with the latest fashion trends to make the bedding not only comfortable but also able to enhance the overall home decoration.

We have a strict quality control system during the production process to ensure that every product leaving our factory meets the highest standards. Our products have been widely recognized and used in many hotels and households, and we will continue to strive for excellence in the future.

Qingdao Good Dream Home Textile Co., Ltd., founded in 2013, is located in Qingdao, a beautiful coastal city. It is a modern home textile enterprise integrating design, R&D, and sales. The company takes "creating quality sleep" as its core philosophy and focuses on the innovation of mid-to-high-end home textile products. Its products mainly use fibers such as hemp, linen, mulberry silk, and pure cotton as raw materials, covering a full range of categories including bedding, curtain fabrics, cushions and blankets, and kitchen and dining textiles. Its sales network spans over 50 countries and regions worldwide.

Good Dream is committed to becoming the preferred quality home textile company for customers. With exquisite craftsmanship, excellent design, and first-class service, it ensures that every customer choosing Good Dream receives the highest quality products and services. Good Dream will continue to drive product upgrading through technological innovation, deeply cultivate the two tracks of "sleep economy" and "environmental consumption", and strive to become an advocate of natural materials and quality life in the home textile industry.

Whether it is urban elites pursuing ultimate comfort or quality-oriented families that value environmental protection, Good Dream Home Textile always guards every peaceful sleep with ingenuity.

Choose Good Dream, and let nature and technology jointly build a beautiful home life.

As a Flame Retardant Fabric Manufacturer, BEGOODTEX specializes in inherently flame retardant textiles, providing high-quality, durable, and functional solutions to customers worldwide.

With approximately 17 years of experience, BEGOODTEX has been supplying the USA, Europe, Canada, Korea, and other regions with premium Flame Retardant Fabric Solutions. Over the years, we have grown into one of the leading suppliers in the industry.

We specialize in knitting and woven fabrics, including premier fabric, spandex fabric, cubicle curtains, pajama fabric, dimout fabric, sheeting fabric, velour fabric, and cellular blankets, among others. Additionally, we offer fabric processing services to create ready-made products such as table skirts, pipe and drapes, and table covers.

Our flame retardant fabrics are widely used in events, exhibitions, displays, hospitals, clothing, jails, armies, governments, and many other applications, ensuring safety and reliability in every setting.

Tongxiang Yihui Textile Co., Ltd. is a dedicated import and export trading company established by its factory, Jiaxing Qinyue Home Textile Co., Ltd, Which is a professional home textile company specializing in the production and management of silk bedding products. It integrates independent research and development, finished product manufacturing, and product sales.

The factory was established in 2013, founded by three professionals with over a decade of experience in the home textile industry, possessing front line brand production and sales expertise. With dedication, they have crafted the company diligently.

We primarily offers health conscious bedding products, including silk duvets, silk pillows, silk mattresses, wool quilts, bamboo duvets, bamboo fiber pillows, silk bedding sets, and bamboo fiber bedding sets.

Additionally, we actively advocates for and is committed to promoting children's healthy living.

They specialize in producing eco-friendly kid's home textile products such as silk duvets and sleeping bags.

Currently, the company boasts two independent brands: Qin Yue and Qin Yue Jiangnan.

With a focus on the domestic market and global outreach our products are exported to Europe, North America, Russia, and other 20+ countries.

With high-quality products and Customer-centric service, Qin Yue assists global clients and partners in achieving success.
